Maintenance Supervisor

Window is looking for a person who can run our Maintenance Department who is more than a " handy man". We need someone who can forecast short-term and long-term maintenance projects. Someone who is a troubleshooter with preferred experience in carpentry, electrical and plumbing. Someone who can keep up a preventative maintenance schedule. Someone who understands the importance of treating our residents with dignity and is a team player and supports the team. This position requires you to be able to respond timely in an emergency. You must live in Iola or be willing to move to Iola. If you meet most of these requirements, please apply. We can work with the right person.

Please fill out an application at 600 E. Garfield, Iola.

A-B-W is accepting application for all positions. B & W Trailer Hitch is looking for a creative and energetic person to join our Marketing Team. The right individual will be able to assist in developing and maintaining brand strategy, create print and online advertising and assist in content and social media strategy. Candidates must be proficient with Adobe Creative Suite, have strong writing skills, and be willing to do some traveling.

B & W Trailer Hitch manufactures the patented Turnover Ball, the #1 selling gooseneck hitch in the country, as well as 5th Wheel and receiver hitches, custom truck beds and agricultural livestock products. B & W was named one of the top 10 machine shops in the country by American Machinist magazine in 2006. B & W is employee owned and committed to a safe and caring work environment.
